指定管理鳥獣（ニホンジカ）捕獲等事業 実施区域詳細図

【八頭町・若桜町】

This detailed map illustrates the implementation area for the designated management of Sika deer (ニホンジカ) in Hachioji City and Wakayama Town. The map is color-coded to represent different administrative regions and land types. Key features include:

- Administrative Units:** The map shows various districts and towns such as Hachioji City, Wakayama Town, and surrounding areas like Tama River, Arakawa River, and Sagami River.
- Geography:** It depicts mountainous terrain, river systems, and coastal areas.
- Land Use:** Land is categorized into agricultural land (green), forest land (brown), and other land uses (various shades of blue).
- Settlements:** Numerous settlements and villages are labeled across the map.
- Infrastructure:** Roads, railways, and other infrastructure are shown.
- Management Areas:** Specific areas for deer management are outlined in red and pink.

The map provides a comprehensive overview of the geographical and administrative context of the deer management project.
